

## BUILT-IN LEAK PROTECTION

Our incontinence briefs and panties look and feel like regular underwear.

They're washable, reusable and economical.

Our absorbent, odour control, one-piece briefs are better than disposable products. They're comfortable and environmentally friendly. But most of all, discreet.

Order three of any of our styles, from our classic to our lace brief, and you'll get free shipping. Wherever you go, Wearever has you covered.

## WEAREVER ADVANTAGES:

- One-piece discreet design with built-in pad — regular, super and maximum absorbency (650 ml)
- Patented absorbent, odour-control microfibers (silver ion impregnated)
- Washable, reusable over 200 machine washes
- Looks and feels like regular underwear
- Protect the environment from disposables
- Maintain your dignity
- SAVE MONEY!

## STOP LEAKS

**Never let little leaks keep you from going where you want to go.  
Live life your way with our washable, reusable incontinence underwear.**

Our goal is to give you back your freedom. So our panties and briefs are designed to look and feel like fashionable and very comfortable underwear, but with the built-in advantage of absorbing leaks. With Wearever® briefs, you can feel like you're in control. Everyone goes. You just go with a greater sense of style.
