

uresta® **Life.  
Not Leaks.**  
BLADDER SUPPORT FOR WOMEN

# Live Life, Without Leaks

---

uresta® helps significantly reduce or controls leaks, so you can start living again. So go ahead: do some yoga, go for a run, laugh (or sneeze or cough) without fear.

# how uresta® works

The **uresta®** bladder support is simple to use: it provides additional support through the vaginal canal to reduce or control involuntary urine loss due to stress urinary incontinence.<sup>2</sup>

## Want to order uresta®?

You can purchase **uresta®** directly from iMEDicare via website [www.uresta.uk](http://www.uresta.uk) or [www.MyPelvicHealth.co.uk](http://www.MyPelvicHealth.co.uk) or by telephone on +441923237795 (M-F 9am to 5pm).

# why uresta®?

- uresta® is comfortable & effective at reducing or even controlling leaks.<sup>2</sup>

- Use uresta® all day, or just when you need it - like when you're exercising, travelling, or on a night out on the town (remove before bed / sleeping).

- It's reusable and lasts for one full year. Simply wash it with soap and water, and leave it to dry in its case.

- It's more cost-effective than disposable solutions, and is better for the environment.

# see what others are saying!

66% of women surveyed in a clinical study said using **uresta®** either **stopped their leaking** or reduced it by a significant degree.<sup>1</sup>

57% of women said they felt more comfortable in public when using **uresta®**.<sup>1</sup>

72% would recommend **uresta®** to a friend.<sup>1</sup>

The Starter Kit contains the three most common sizes that fit 80% of women. Once you find your fit, the **uresta®** bladder support lasts for an **entire year**, making it more affordable than disposables, and more convenient than traditional pessaries.<sup>3</sup> Have a question about **uresta®**?
